

The Community Memorial Hall was constructed by Orwigsburg Community Memorial, Inc. and dedicated in July 1950 as a tribute to veterans of the Orwigsburg Area.

A subsequent project included the addition of a kitchen, ticket booth and lobby and the installation of a brick facade over the block walls.

The interior of the building includes a large open area with seating capacity for more than 1,500 on permanent and retractable bleacher with a basketball court, locker rooms and restrooms.

The Memorial is the anchor to an overall community recreation area that includes multiple baseball fields; a playground and an outdoor basketball/tennis court area.

VETERANS COMMUNITY MEMORIAL HALL

"ERECTED IN MEMORY OF THE VETERANS OF ALL WARS"

**From the Past
To the Present
Planning for the Future**

300 Grove Street, Orwigsburg, PA 17961

Our community is special and, not just because it is nestled in the mountains along the Schuylkill River.

There are two anchors of every great community – the first, its people and the second, a place where those people gather together – a place where children play and grow and adults celebrate life.

Community Memorial Hall, “The Memorial” is such a place. It’s a place where we learned how to love and respect what makes Orwigsburg special – its people.

If it’s the people of Orwigsburg who are the foundation of our community, then “The Memorial” is the mortar helping to hold our community together.

For generations, Community Memorial Hall has played host to thousands upon thousands of our friends, family and forefathers. It was our forefathers whom entrusted the Memorial to the citizens of our area. It is our duty, our right, to maintain this piece of history for generations to come. The Memorial needs our help.
